

I went to the STOP BULLYING NOW! presentation on May 3, 2011.

I have read the Bully Blocker Pledge with my class.

I understand what I should do if a kid (or a group of kids) is/are bullying me or if I see another kid (or group of kids) being bullied.

I understand that if I bully someone else or a group of other kids then there will be BIG consequences.

I know that if I am confused or have any questions about what I learned today, I can ask my teacher, Ms. V, Dr. McCann and/or Ms. Heim.

MY PERSONAL PLEDGE:

As a student at Cooke Magnet School, I will make good choices. This means that I WILL NOT BULLY other students. I will show respect for myself, for others, and for property at all times. I will treat other kids how I want to be treated and take pride in being a student at Cooke Magnet School. Whenever I feel threatened, unsafe or am afraid of being hurt, I will immediately find a trusted adult and report what is happening.
